**FRESNO COUNTY BOARD OF SUPERVISORS
ADMINISTRATIVE POLICY
NO. 35**

SUBJECT: CONFLICT OF INTEREST - BOARD APPOINTEES

POLICY STATEMENT

In addition to any Federal or State conflict of interest requirements which may apply, no member of any board, commission or committee shall make, participate in making or in any way attempt to use their position to influence a decision in which he or she knows or has reason to know that he or she or their spouse has a financial interest. In all such cases, the affected member shall disclose their interests in the records of the board, commission or committee and shall refrain from participating in all discussions and votes concerning the matter in which they or their spouse has a financial interest.

The purpose of this policy is not only to avoid actual improprieties, but also the appearance of possible improprieties. Therefore, it is the policy of the Board of Supervisors that any doubts as to whether a member shall refrain from participating in a particular matter should be resolved in favor of non-participation.

While recognizing that state law and regulations may specify categories of memberships on certain board, commission and committees, to the extent possible, no one shall be appointed to a board, commission or committee which recommends funding allocations to community based organizations, who is or whose spouse is a director or officer of an agency or organization which competes in the funding process before that board, commission or committee.

MANAGEMENT RESPONSIBILITY

The County Administrative Officer shall provide all nominees to County boards, commission and committees with copies of the Board's Conflict of Interest policy. Additionally, the County's staff to each board, commission, and committee shall be provided with a copy of the application of each appointee so as to be able to assist in monitoring compliance with the conflict of interest policy. Monitoring shall include annual review of appointee circumstances as they may change during each appointee's term of office.

APPLICANT/NOMINEE RESPONSIBILITY

All applicants shall state on their application for appointment what affiliation, if any, they or their spouse has with public service agencies. Additionally, all applicants shall certify prior to their participation as a voting representative of the Board of Supervisors that they have read this policy and can serve free of any conflict of interest. The certification will be made by an applicant/nominee by signing the application for their appointment. Further, should any conflict of interest arise during the appointee's term of office, the appointee shall so declare and abstain from participation on the proceeding and business as it relates to the area of conflict.

For those boards, commissions and committees which recommend funding allocations to the Board of Supervisors, no member shall participate in any discussions or decisions related to an agency of which the member or the member's spouse is a director or officer. Additionally, unless state law or regulation require otherwise, any such member shall also refrain from participation in discussions or decisions related to proposals which are in direct competition with a proposal submitted by the agency of which the member or member's spouse is a director or officer.
